Hyderabad, Andhra Pradesh

Dr. Rajkumar Songa at DrRajKSongaUS@gmail.com

Vijaya Diagnostic Center, #3-6-16 & 17, Street #19, Himayath Nagar, Hyderabad – 500 029

You must make an appointment with Dr. Rajkumar Songa prior to arrival at the center. Please allow at least two weeks before your scheduled Immigrant Visa interview appointment for the tests to be completed and sent to the U.S. Consulate General in Chennai.

For each family member, bring

- Passport
- Original appointment letter
- Three recent photographs
- All medical records of vaccinations, prior illnesses and treatments. You will discuss your medical history and current conditions – pregnancy, diabetes, hypertension and other conditions and medications taken – with the physician.

Any attempt by the applicant to influence the physician's medical judgment will reflect unfavorably on the visa application. The examination conforms to standards and terminology prescribed by the United States Public Health Service.

The physician may need four to seven days to prepare the results of your medical examination. Collect the report from him/her and bring it to Consulate on the day of your formal visa application appointment.
